

Phoneme Matching

PA. 008

Vowel Picture Sort

Objective

The student will match vowel sounds in words.

Materials

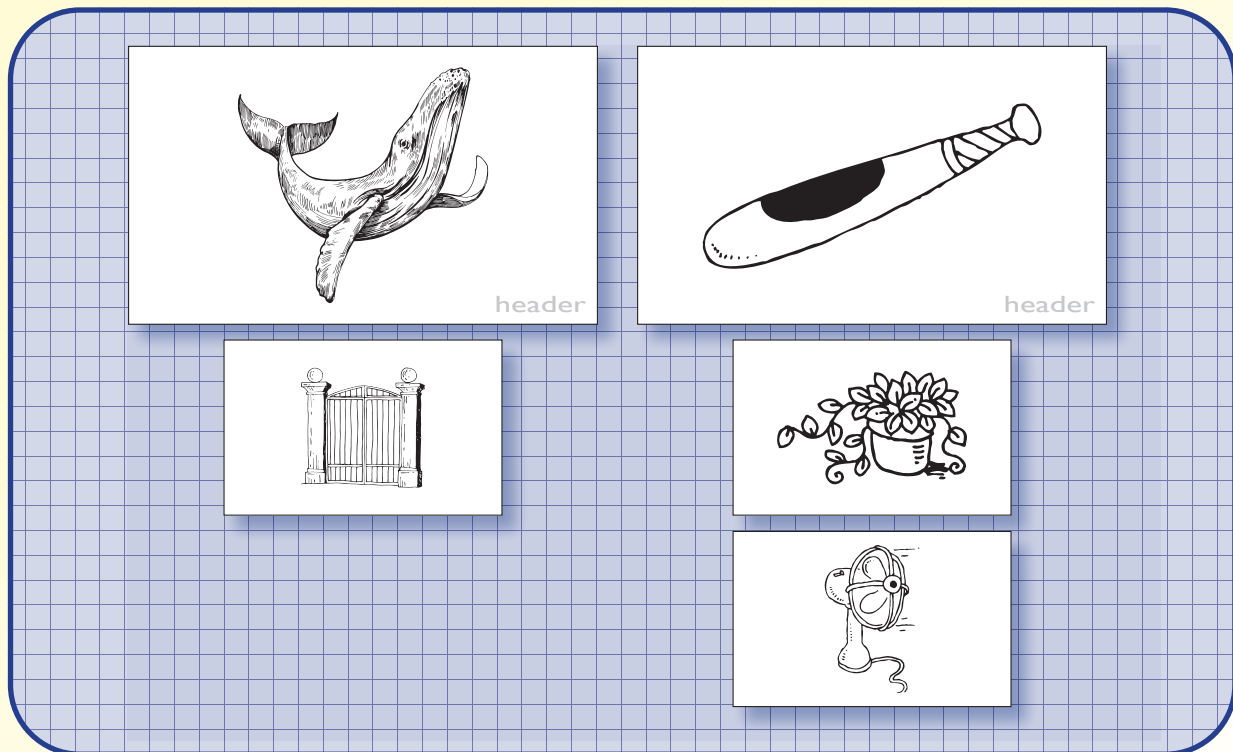

- ▶ Vowel header picture cards
- ▶ Vowel picture cards

Choose one vowel at a time by selecting header and picture cards for the same vowel (e.g., short and long “a”).

Activity

Students match vowel sounds by sorting pictures into columns.

1. Place vowel header picture cards face up on flat surface. Mix and place the vowel picture cards face down in a stack.
2. Taking turns, students select a card from the stack, name the picture, and say the vowel sound (e.g., “fan, /a/”).
3. Place in column with matching vowel header picture card (i.e., bat).
4. Point to and name picture cards in entire column starting at top.
5. Continue until all cards are sorted.
6. Peer evaluation

The activity area contains six picture cards arranged in two rows. The top row has two cards labeled 'header'. The first header card shows a whale. The second header card shows a baseball bat. The bottom row has three cards. The first card shows a gate. The second card shows a potted plant. The third card shows a fan.

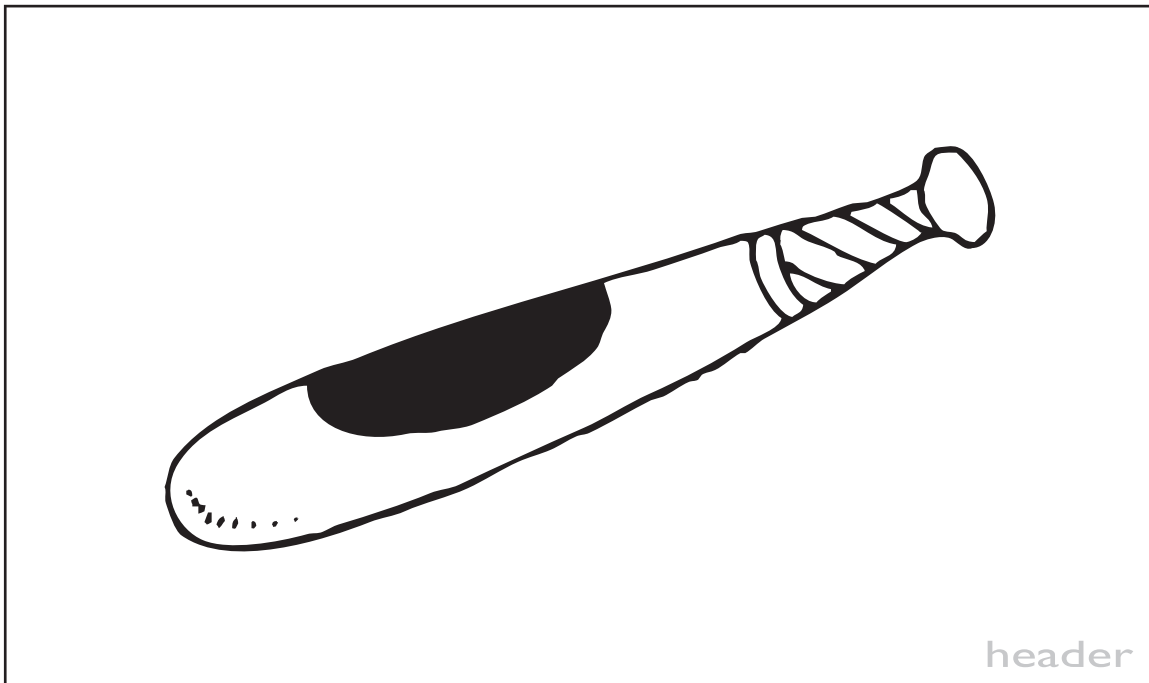

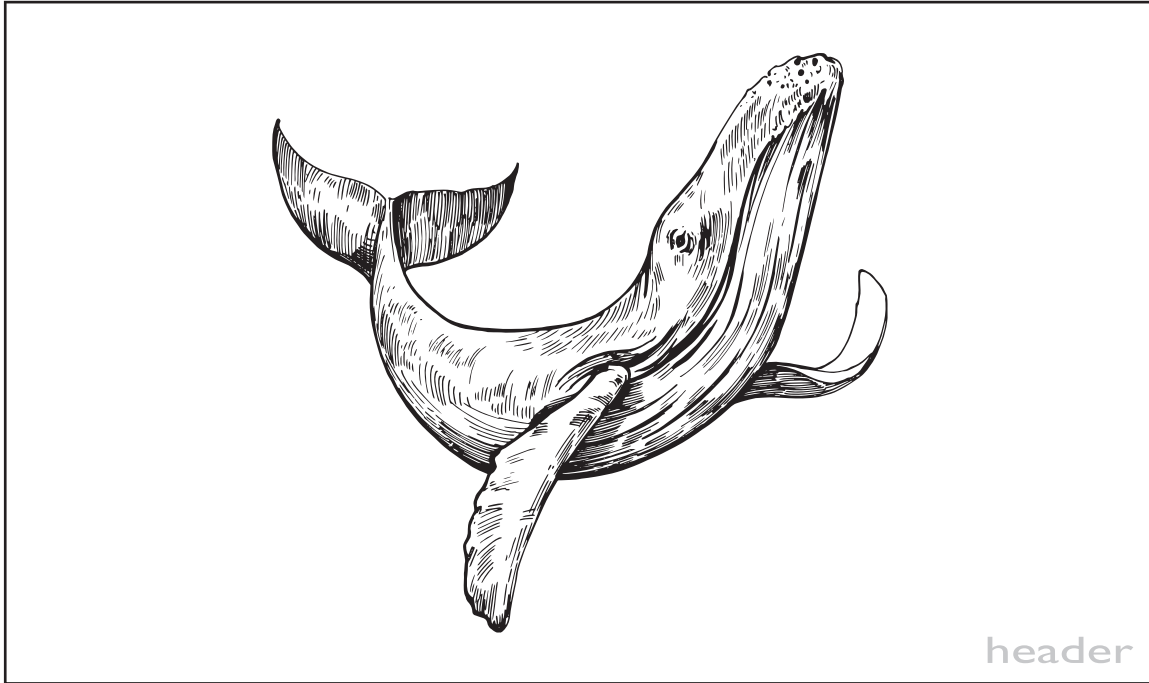

Extensions and Adaptations

- ▶ Sort several different vowels (long and short) at a time.
